After Roosevelt, Churchill and Stalin finished their conference at Yalta they went on a sightseeing flight to the Black Sea

No sooner than they'd taken off a devil jumped onto the airplane's wing and started to destroy the engine Churchill kept his cool and began to negotiate

"Sir If you'll stop that, I'll give you a seat in the House of Lords."

The devil however refused to listen A few minutes later Roosevelt said to the devil

"Hey you, yes you If you'll stop I'll give you as much Californian farmland and new Packard cars as you want."

But the devil continued to destroy the engines At this point, Stalin gently shouted

"Hey you fuckwad If you don't stop that right now I'll throw you into the **kolkhoz**!"

At the moment the devil heard those words It flew away never to be seen again

From the kolkhoz that even the devil fears

Lithuania and the Happy Three Baltic States

Although Lithuania used to be a big country with Poland Russia did its best to break that apart—>Lithuania is recruited wards poor Lithuania's plight was to be beaten up by Russia day after day By the way Lithuania-kun likes martial arts He's also the (relatively) most cheerful among the Baltic states (— ^)

FINALLY TOMORROW I'LL BE FREE FROM THIS RUIN.

GERMANY! I'M SORRY! THAT, THAT PENDANT I'M SORRY! NIICHAN'S I'M SORRY!
I GET WHAT YOU'RE TRYING TO SAY. CALM DOWN!

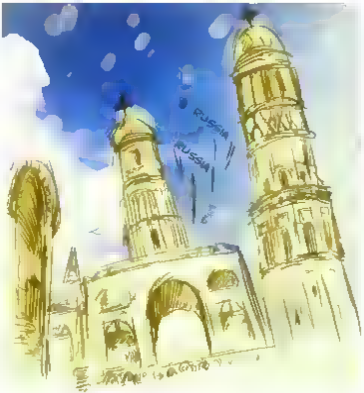
Italians have been an inconsistant people since forever *laughs*
The North and the South never really got on all that well but if you ask,

"Is there a strength difference because of the regions?"
In the First World War Italian soldiers were conscripted from all parts of the country
and distributed evenly among the army
but after WWI they started making the units regional

Still
THE USELESSNESS NEVER CHANGED

They really are HETARE! (ˇ∀ˇ)

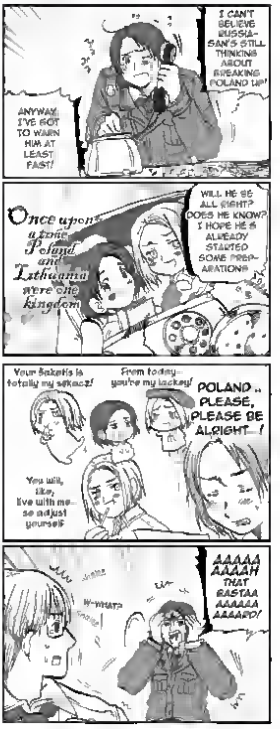
The pendant, by the way is the cross of the Teutonic Knights



RUSSIA
RUSSIA...

MEANWHILE, AT RUSSIA'S HOUSE
RUSSIA-SAN I'VE BROUGHT YOU SOME TEA~
HMM. THIS VOICE DID RUSSIA-SAN'S ADVISOR COME...

AFTER I CONQUER POLAND, I'LL SPLIT IT AND TURN HALF INTO MY SUMMER HOME.
OH HOW SPLENDID.
EH, RUSSIA-SAN'S DOING WHAT TO POLAND?



I CAN'T BELIEVE RUSSIA-SAN'S STILL THINKING ABOUT BREAKING POLAND UP!
ANYWAY, I'VE GOT TO WARN HIM AT LEAST FAST!
Once upon a time, Poland and Lithuania were one kingdom.
WILL HE BE ALL RIGHT? DOES HE KNOW? I HOPE HE IS ALREADY STARTED SOME PREPARATIONS!

POLAND.. PLEASE, PLEASE BE ALRIGHT..!
You will, like, live with me- so adjust yourself
W-WHAT?
AAAAA AAAAH THAT EASTAA AAAAAA AAAARD!

Although Poland and Lithuania used to be one country
Lithuania was pretty much in the fecksey position
He was confounded by Poland's many whims apparently
like "Speak Polish!" or "Live like me!"

HELLO, THIS IS LITHUANIA, PO...
LITHUANIA TRIED TO GET THROUGH TO YOLANDA ANYWAY
OHAYSOO?! LITHUANIA! WHAT'VE YOU CALLING SO EARLY FOR?
IT'S AN EMERGENCY! RUSSIA-SAN S PLANNING TO INVADE YOUR HOUSE

LITHUANIA THE! WORRY WART
POLAND'S HOUSE
THERE'S NOTHING SPECIAL GOING ON HERE.
UM HOW DO THINGS LOOK IN POLAND? IS IT RUSSIAN'S TROOPS GO THERE?
LITHUANIAN ARMY

Though Poland has the image of
'the poor abused country stuck between Russia and Germany'
he actually has been destroyed many times and yet still rose back like a phoenix.
In other words he seems to actually be a tough strong country

Surprisingly there were times when he'd won against Russia and Germany
The time he was with Lithuania was his golden age where he and
Lithuania the Lackey conquered and expanded across Eastern Europe

Also this is pointless but I based Poland's accent on Nagoya schoolgirls
(TN: In English this would be Valley Girl)

THAT NIGHT...
LITHIANA DREAMED OF THE DAY HE FARTED FROM POLAND.
YAY~ I WON~ BUNNY'S THE STRONGEST~!
EH?
AWW YOU LOOK SMART. SO I'LL LET YOU STAY AT MY HOUSE!
YOU LOST SO YOU HAVE NO CHOICE, RIGHT?
POLAND! PLEASE WAKE UP, POLAND!
NO I WON'T WANT TO
OHAYOU~ YOUR FACE IS SO FUNNY RIGHT NOW!
AAAPPRRHH THAT BASTARD AAAAPPP!!!

WORRIED BY LAST NIGHT'S DREAM, LITHUANIA DECIDES TO MAKE ANOTHER CALL.
LIA...HI. IT'S LITHUANIA. HAVE YOU STARTED PREPARING ANYTHING?
DUH~ YEAH, I DID. SERIOUSLY, WOULDN'T NOT PREPARING BE SO LAME?
THAT'S GREAT! I WAS SO WORRIED I COULDN'T SLEEP LAST...
I WONDER IF I GIVE MY HOUSE AN ENGINE IF IT'D FLY LIKE A PLANE~?
OW! OW WW WW...
ZOOM!
AND THEN I'LL DROP IT ON YOUR HOUSE. KAPOW!
TAKE LIFE MORE SERIO-USLY! PLEASE!
AND STOP THAT!

WH... WHAT IS THIS WEIRD THING!?
UWAAA!

A-ANY-WAY! I DID LIKE MAKE SOME MOVES OF MY OWN YESTERDAY YOU GUYS SHOULD BE SO SCARED

SHAKE

WH. WHAT'S WRONG RUSSIA SAN !?
I DON'T REALLY KNOW BUT I JUST GOT THIS STRANGELY SCARY LETTER

A letter of ultimatum You must copy and send this letter to three other people within three days of reading here Warsaw will otherwise your capital
IT SAYS WARSAW WILL BECOME MY CAPITAL
SENDER POLAND
WARSAW
HOW'S THAT? THAT GUY HAS NO FRIENDS SO I BET HE'LL BE FREAKIN' OUT!
MMMM
UM. ..MAYBE HE HASN'T BUT HE DOES HAVE A LOT OF SUBORDINATES YOU KNOW

Russia actually had traumatic memories of Poland and letters before
In one of their wars he grew to distrust his allies thanks
to Poland's fake letters and caused massive unrest in the ranks
at which point Poland swooped in and took Moscow

He did get a very thorough revenge afterwards though

Speaking of Russia's friends, I completely forgot this person

I WONDER IF POLAND WOULD END UP LIKE ME IF THIS KEEPS UP
Whoa, YOU GOT BEAT UP BY RUSSIA AGAIN? UNOOOOOOL~

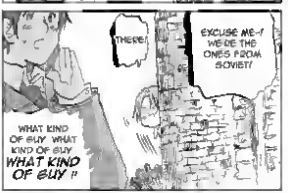
I'LL PROBABLY BE BETTER LIKE THIS SO JUST LET ME BE
HMMPH
SH- SHUT UP!~
AND YOU'RE HALF-DEAD TODAY! IF RUSSIA COMES AGAIN YOU'LL DIE, FOR SURE!

I MIGHT HELP YOU IF YOU'LL LISTEN TO WHAT I SAY, THOUGH?

IS THERE REALLY NO WAY OUT ?

And then, the day of the Russia-Germany treaty.

Russia is coming to Germany today, so I thought I'd see what kind of guy he is... Just the face, at least...
I'LL RUN AWAY FIRST IF HE LOOKS SCARY...
I WON'T BE ABLE TO LOOK AFTER YOU TODAY



THERE!
EXCUSE ME-! WE'DE THE ONES FROM SOVIET!
WHAT KIND OF GUY WHAT KIND OF GUY

please think of it as the USSR

I'M HIS OLDER BROTHER
